MUST SEE

Chapter 2 brought SO MANY Marvel and DC Comics skins to the Fortnite store, and it makes for one of the best crossovers we've ever seen! You even had the chance to pick up superhero abilities and items, like Spider-Man's web slingers and Wolverine's claws. We hope they make a return in Chapter 4 soon!

# SUPERHERO MARVEL SHOWDOWNS

# EPIC CROSS

From a Galaxy far, far away come our favourite Star Wars characters in an intergalactic crossover! These classic skins have been in Fortnite for a couple of Chapters now, but there's a BRAND-NEW crossover on its way in Chapter 4 which will add loads of new Force abilities. We can't wait to see what's in store!

# SICK STAR WARS

We've had lots of content creator skins dropping into Fortnite over the past few Chapters, and these are the pick of the bunch! Epic Games teamed up with the most famous Fortnite streamers to bring them to life in-game and make them playable for all players! We even got a surprise Mr Beast skin as an early Christmas present last year to celebrate the launch of Chapter 4!

## HACK SHACK! TOP 3 FORTNITE TIPS!

1. **BUILDING BASICS!** All the pro players build to make traps and build cover in a firefight. If you can get to grips with the building basics, you stand a much better chance!
2. **HUG THE CIRCLE!** Staying close to the storm's edge in the final few circles means enemies are only ever going to be in front of you.
3. **GAMER RAGE!** Remember, you're supposed to have fun! If you're getting frustrated or angry it might be time to put the controller down and take a break!

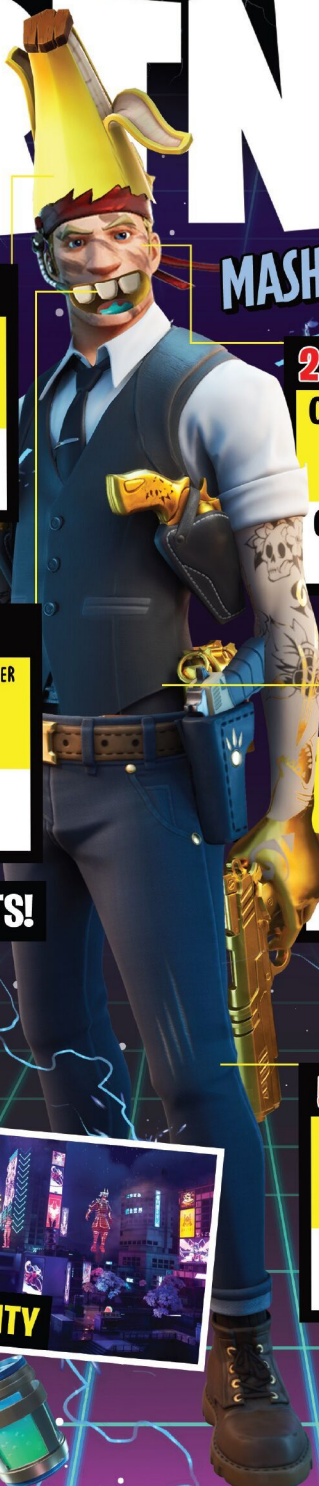

We've seen some awesome anime crossovers in Fortnite recently, and Naruto and Dragon Ball Super are the best of them all! We've even seen Fortnite's very own anime character's popping up, like Lennox Rose.
